MODULAR CONVEYOR BELT SERIES

2540 Magnetic Side-Flexing Conveyor Belts

A magnetic-retention side-flexing belt range for compatible curved tracks. Confirm track design and bend geometry; specify TAB side-flexing separately when the existing belt uses mechanical retention tabs.

Unit for enquiry: metre | Product range

Series reference image. Exact variant, dimensions and material are confirmed with the quotation.

PRODUCT DETAILS

Series / selection	2540 FTM
Travel	Side-flexing / magnetic
Surface / guidance	Flat-top magnetic flex
Dimensions	Required width and length; verify assembly and tracking dimensions
Material and limits	Confirm the material, load, speed, temperature and cleaning limits for the exact quoted item

TYPES / CONFIGURATIONS

Flat-top magnetic flex

These are enquiry choices. Not every size, material and construction can be combined. We confirm the matching configuration and operating limits in the quotation. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

2540 Magnetic Side-Flexing Conveyor Belts

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Finished belt width / width code	Width in mm, or existing mould-to-width code
Required belt length	Open length or finished loop length, with units
Complete belt reference	Series, material, colour, pin and underside markings
Guidance / flights / conveyor layout	Track type, curve radius, flight height and spacing where applicable
Mating sprocket details	Series, teeth, shaft bore and drive layout
Product, duty & cleaning	Load, speed, temperature, wet/dry duty and food-contact documents

INCLUDE WITH YOUR ENQUIRY

Full belt reference, width, length, surface, guide arrangement, matching sprockets, operating conditions, quantity and required date.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
