MOTORS, GEARBOXES & DRIVE COMPONENTS

Electric Vibrator Motors

External electric vibrators for suitably designed screens, feeders, vibrating conveyors and compacting equipment. Selection considers force and machine dynamics as well as power.

Unit for enquiry: each | Product range

Product-family photograph. Exact model, dimensions and configuration are confirmed with your quotation.

PRODUCT DETAILS

Selection	Centrifugal force, rotational speed and machine dynamics
Supply	Three-phase, single-phase or DC request; model dependent
Adjustment	Eccentric-weight / force arrangement depends on the selected unit
Installation	Fixing dimensions, direction of rotation and machine mounting

TYPES / CONFIGURATIONS

Vibrating screen | Vibrating feeder / conveyor | Compacting table | Exact replacement

Do not select by kW alone. Force, speed, mounting and machine dynamics must be checked; food or hazardous-area suitability is specific to the selected variant. Choices record your requested specification; not every combination is available. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Electric Vibrator Motors

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Required centrifugal force and speed	Force in N / kN and rpm, or complete existing model
Electrical supply and nameplate connection	Phase, volts, Hz, delta / star connection and rated current
Power and current	Nameplate kW and current
Fixing centres and mounting	Hole pattern, bolt size, contact face and installation drawing
Machine and vibration requirement	Machine mass, load, motion and single / paired motor arrangement
Application and environment	Driven equipment, hours / starts, ambient temperature, dust and cleaning conditions
Existing model / complete reference	Full reference and suffixes; include a clear nameplate photograph

INCLUDE WITH YOUR ENQUIRY

Send the complete reference and nameplate photo, installation dimensions, operating duty, quantity, delivery location and required date. State whether an alternative may be proposed for approval.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
