AUTOMATION, SENSING & INSTRUMENTATION

Electronic Pressure Switches

Pressure switches with configurable switching points for process and machine-control duties. Confirm the range, process connection and output logic as well as the complete model code.

Unit for enquiry: each | Product range

WIKA PSD-30 electronic pressure switch shown as a product-family example. Exact model, size, materials and configuration are confirmed in your quotation.

PRODUCT DETAILS

Switching	Setpoint, reset point and output logic
Measurement	Range, pressure type and process medium
Connection	Process thread, electrical connector and wiring
Replacement	Model and suffixes must match the installation

TYPES / CONFIGURATIONS

Electronic switch with display | Switch without display | Switch with analogue output | Exact replacement

Choose the specification you need. Beccentric confirms the exact make, configuration, availability and lead time in the quotation. Alternatives are offered for approval. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Electronic Pressure Switches

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Manufacturer and complete part number	Include every suffix and attach a clear label photograph
Pressure range and setpoints	Units, switch-on and reset pressures
Output configuration	PNP/NPN, number of switches, analogue output
Process and electrical connections	Thread, seal and connector
Supply voltage, output and connections	AC/DC, signal, contact rating, connector and pinout

INCLUDE WITH YOUR ENQUIRY

Include the complete part reference, requested specification, quantity, required date and clear photographs. Confirm whether an approved alternative may be offered.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
