FESTO PNEUMATIC COMPONENTS

Festo GRLA / GRLZ Pneumatic Flow Controls

One-way flow control valves for setting pneumatic actuator speed. Select the flow-control direction and both connections rather than matching appearance alone.

Unit for enquiry: each | Product range

Festo product-family image. Exact size, connections and configuration are confirmed with your quotation.

PRODUCT DETAILS

Purpose	Restricted flow in one direction, free flow in the other
Connections	Threaded or push-in variants according to complete code
Selection	Port thread, tube OD, control direction and adjustment type
Documented reference	GRLA-1/2-QS-12-D / 193152

TYPES / CONFIGURATIONS

GRLA exhaust-air / meter-out | GRLZ supply-air / meter-in | Match existing reference

Use the circuit symbol to verify meter-in versus meter-out orientation; installation direction affects actuator behaviour. Match tubing and connection pressure limits. Thread size and tube diameter are separate measurements. Options describe an enquiry; not every combination is available. Confirm the complete selected reference and operating limits before ordering. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Festo GRLA / GRLZ Pneumatic Flow Controls

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Tube OD and port thread / second connection	Tube OD in mm; thread standard R / G / Rc / NPT and size
Fitting shape / speed-control function	Straight, elbow, tee, reducer or meter-in / meter-out
Installation and direction	Port location, flow direction, adjustment and clearance
Medium, operating pressure and temperature	Normal / maximum pressure in bar, medium, temperature and air quality
Complete manufacturer reference / existing markings	Include every suffix if known; otherwise ask for identification help

INCLUDE WITH YOUR ENQUIRY

Send the complete reference, requested size and configuration, operating conditions, quantity, delivery location and required date. Add label / installation photographs and state whether an alternative may be proposed for approval.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
