FESTO PNEUMATIC COMPONENTS

Festo MS Manual Pneumatic On/Off Valves

Manual switching valves for pneumatic air preparation assemblies. Specify port size, flow direction and venting arrangement for the intended machine circuit.

Unit for enquiry: each | Product range

Festo product-family image. Exact size, connections and configuration are confirmed with your quotation.

PRODUCT DETAILS

Operation	Manual rotary switching
Function	Air on/off with exhaust arrangement according to selected variant
Connections	Confirm module size and port standard
Reference family	MS4-EM1 / configuration identifier 541266

TYPES / CONFIGURATIONS

MS4-EM1 | MS6-EM1 | Match existing configuration

Specify whether a lockable isolation arrangement is required and verify the exact variant. Do not infer machine safety compliance from the generic family name. Ensure trapped energy and downstream volumes are addressed by the approved machine procedure. Options describe an enquiry; not every combination is available. Confirm the complete selected reference and operating limits before ordering. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Festo MS Manual Pneumatic On/Off Valves

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Service-unit size / series	MS4-EM1, MS6-EM1
Port standard and size	Thread, connecting plates and flow direction
Flow and exhaust arrangement	Flow requirement, exhaust / silencer and downstream volumes
Lockable operation / mounting	Specify existing handle, lockability requirement and mounting
Medium, operating pressure and temperature	Normal / maximum pressure in bar, medium, temperature and air quality
Complete manufacturer reference / existing markings	Include every suffix if known; otherwise ask for identification help

INCLUDE WITH YOUR ENQUIRY

Send the complete reference, requested size and configuration, operating conditions, quantity, delivery location and required date. Add label / installation photographs and state whether an alternative may be proposed for approval.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
