Exact PUN-H-6X1-BL - 197384 | Alternative only for approval

Select fittings by the stated tube outside diameter. Respect the lower rating of the tubing, fittings and other components at operating temperature. Food-contact suitability requires the applicable manufacturer declaration for the exact application; the blue colour is not a certification. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.
