MAINTENANCE SUPPLIES

Food-Industry Greases & Lubricants

Greases and oils for food and beverage production equipment, selected against the equipment duty and the required food-contact registration. Request documentation for the exact product supplied, including compatibility with the lubricant already in use.

Unit for enquiry: each | Product range

Pictured: CASSIDA lubricant packaging. Specify the exact grease/oil grade and required food-contact registration.

PRODUCT DETAILS

Product references	CASSIDA grease and oil enquiries
Grease	NLGI grade, thickener and duty
