STAINLESS STEEL & FITTINGS

Hygienic Angle Strainers

Angle-pattern stainless-steel strainers for process lines requiring a change in flow direction through the strainer body. Quote the connection arrangement, screen specification and cleaning access together. The screen opening must suit the product and required filtration duty.

Unit for enquiry: each | Product range

Product range example; confirm the make and configuration quoted.

PRODUCT DETAILS

Layout	Angle-pattern process strainer
Connections	Specify end standard and dimensions
Screen	Opening or mesh and effective area to be confirmed
Service access	Allow space to remove and clean the element

TYPES / CONFIGURATIONS

Angle strainer with male ends | Replacement screen to existing model | Assembly to drawing

Options describe the requirement to quote. Exact dimensions, grade, compatibility, availability and any material or food-contact documents are confirmed for the selected item. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Hygienic Angle Strainers

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Connection size / outside diameter (mm)	State the standard and all relevant measurements
