STAINLESS STEEL & FITTINGS

Hygienic Pipe Support Clamps with Stub

Stainless-steel support clamps for hygienic tube installations in food, beverage and dairy plants. The clamp supports the outside of the tube; it is different from a process clamp joining two ferrules. Match the tube outside diameter, mounting stub and stand-off to the existing support.

Unit for enquiry: each | Product range

Product range example; confirm the make and configuration quoted.

PRODUCT DETAILS

Purpose	External tube support
Sizing	Actual tube outside diameter
Mounting	Stub dimensions and support position
Finish	Specify cleaning and finish requirements

TYPES / CONFIGURATIONS

Pipe clamp with mounting stub | Replacement support clamp | Support to existing sample

Options describe the requirement to quote. Exact dimensions, grade, compatibility, availability and any material or food-contact documents are confirmed for the selected item. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Hygienic Pipe Support Clamps with Stub
