STAINLESS STEEL & FITTINGS

Hygienic Tank Inspection Glasses

Bull's-eye inspection glasses for suitable hygienic tanks and process assemblies. Send the existing opening, mounting and glass dimensions to identify the correct assembly or replacement. Glass, seal and retaining parts must be checked against the equipment's actual pressure, temperature and cleaning duty.

Unit for enquiry: each | Product range

Product range example; confirm the make and configuration quoted.

PRODUCT DETAILS

Format	Tank / vessel inspection window
Dimensions	Viewing diameter and mounting interface
