STAINLESS STEEL & FITTINGS

Hygienic Union C-Spanners

Hook and jointed C-spanners for suitable hygienic union nuts. Select the tool against the nut outside diameter and notch arrangement rather than tube size alone. Useful for maintenance teams assembling and dismantling compatible dairy and process connections.

Unit for enquiry: each | Product range

Product range example; confirm the make and configuration quoted.

PRODUCT DETAILS

Application	Compatible hygienic union nuts
Selection	Nut diameter, slots and union standard
Tool specification	Material and size range to quotation
