STAINLESS STEEL & FITTINGS

Pneumatic Actuators for Hygienic Valves

Actuator enquiries for hygienic valve assemblies used in food and beverage processing. Supply the valve and actuator references together so travel, mounting, required force or torque and control arrangement can be checked. Air pressure, fail position and feedback requirements form part of the complete assembly specification.

Unit for enquiry: each | Product range

Product range example; confirm the make and configuration quoted.

PRODUCT DETAILS

Valve interface	Match stem, mounting and travel
Control	Pilot arrangement and position feedback
Air supply	Required operating range to specification
Action	Fail position / action to be confirmed

TYPES / CONFIGURATIONS

Replacement actuator | Actuator with position feedback | Complete valve / actuator matching

Options describe the requirement to quote. Exact dimensions, grade, compatibility, availability and any material or food-contact documents are confirmed for the selected item. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Pneumatic Actuators for Hygienic Valves

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Valve size / actuator reference	State the standard and all relevant measurements
Required action	Spring return - specify fail position, Double acting, Match existing
Available air pressure	Minimum and normal pressure with units
Valve stem / mounting details	Photographs and measured interfaces
Pilot and feedback requirements	Coil voltage, sensor supply/output and connections
Manufacturer / complete reference	Include suffixes, nameplate and existing part markings

INCLUDE WITH YOUR ENQUIRY

Valve/actuator references, size, mounting, travel, air pressure, fail position, pilot voltage and feedback.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
