SEALS, TUBING & FLUID HANDLING

Pump Mechanical Seals

Mechanical seals for centrifugal and process pumps, including replacements identified by the pump model and complete seal dimensions. Match the seal faces, elastomers and installed length to the liquid and pump duty.

Unit for enquiry: each | Product range

EagleBurgmann eMG13 elastomer bellows mechanical seal shown as a product-family example. Exact model, size, materials and configuration are confirmed in your quotation.

PRODUCT DETAILS

Identification	Pump manufacturer/model and full seal reference
Dimensions	Shaft diameter, installed length, seat and bore
Materials	Face pairing, elastomers and metal parts
Duty	Liquid, solids, pressure, temperature and speed

TYPES / CONFIGURATIONS

Elastomer bellows seal | Cartridge seal requirement | Pump-specific seal | Replacement seat / component

Choose the specification you need. Beccentric confirms the exact make, configuration, availability and lead time in the quotation. Alternatives are offered for approval. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Pump Mechanical Seals

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Manufacturer and complete part number	Include every suffix and attach a clear label photograph
Pump make and model	Complete nameplate and seal marking
Shaft, seat and installed dimensions	Dimensions in mm or drawing
Seal face and elastomer materials	Known material combination or service fluid
Pump duty and liquid	Medium, temperature, pressure, solids and speed

INCLUDE WITH YOUR ENQUIRY

Include the complete part reference, requested specification, quantity, required date and clear photographs. Confirm whether an approved alternative may be offered.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
