AUTOMATION, SENSING & INSTRUMENTATION

Motor Protection Circuit Breakers

Motor protection breakers and associated accessories for pumps, fans, compressors and production machinery. Match the motor full-load current and the existing control-panel arrangement before selecting a replacement.

Unit for enquiry: each | Product range

Siemens SIRIUS 3RV2021 motor protection circuit breaker shown as a product-family example. Exact model, size, materials and configuration are confirmed in your quotation.

PRODUCT DETAILS

Selection	Motor nameplate current and required adjustment range
Electrical system	Voltage, frequency and prospective fault level
Coordination	Contactor, starter and protection arrangement
Fit	Complete reference, terminals and mounting

TYPES / CONFIGURATIONS

Motor protection breaker | Auxiliary contact | Trip / signalling accessory | Exact replacement

Choose the specification you need. Beccentric confirms the exact make, configuration, availability and lead time in the quotation. Alternatives are offered for approval. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Motor Protection Circuit Breakers

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Manufacturer and complete part number	Include every suffix and attach a clear label photograph
Motor current / trip range	Motor nameplate amperes and breaker setting
Supply voltage, output and connections	AC/DC, signal, contact rating, connector and pinout
Starter and accessories	Existing contactor, auxiliary contacts and coordination requirements
Dimensions / mounting	Enter measured dimensions in mm and mounting details

INCLUDE WITH YOUR ENQUIRY

Include the complete part reference, requested specification, quantity, required date and clear photographs. Confirm whether an approved alternative may be offered.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
