SEALS, TUBING & FLUID HANDLING

O-rings & Elastomer Seal Kits

O-rings and replacement seal kits for process equipment, pumps and pneumatic assemblies. Size and compound both matter: provide the inside diameter, cross-section and actual service conditions.

Unit for enquiry: each | Product range

Black FKM O-rings shown as a product-family example. Exact model, size, materials and configuration are confirmed in your quotation.

PRODUCT DETAILS

Sizing	Inside diameter x cross-section, or complete standard size
Material	NBR, EPDM, FKM / Viton or specified compound
Application	Fluid, cleaning chemicals, temperature and pressure
Documentation	Request required compound or food-contact documentation for the exact supplied item

TYPES / CONFIGURATIONS

Individual O-ring | Matched seal kit | OEM replacement ring | Material identification assistance | Quadrilobe / X-ring seals enquiry

Choose the specification you need. Beccentric confirms the exact make, configuration, availability and lead time in the quotation. Alternatives are offered for approval. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

O-rings & Elastomer Seal Kits

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Inside diameter x cross-section (mm)	e.g. 12.6 x 2.4
Required material	NBR / nitrile, EPDM, FKM / Viton, Silicone, Match existing specification
Manufacturer and complete part number	Include every suffix and attach a clear label photograph
Service and conditions	Fluid, pressure, temperature and cleaning process
Kit identification	Equipment model and kit reference if applicable

INCLUDE WITH YOUR ENQUIRY

Include the complete part reference, requested specification, quantity, required date and clear photographs. Confirm whether an approved alternative may be offered.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
