AUTOMATION, SENSING & INSTRUMENTATION

PR Electronics 5714B Process Indicator

A panel-mounted programmable indicator for displaying industrial process measurements. The 5714 family supports current, voltage, resistance, temperature and potentiometer signals; confirm the B-version output and configuration required for your installation.

Unit for enquiry: each | Reference: 5714B

PR electronics 5714 programmable indicator shown as a product-family example. Exact model, size, materials and configuration are confirmed in your quotation.

PRODUCT DETAILS

Manufacturer reference	PR electronics 5714B
Display family	4-digit, 14-segment LED indication
Input selection	mA, V, resistance, RTD, thermocouple or potentiometer
Installation	Panel mounting; confirm cut-out, supply and required outputs

TYPES / CONFIGURATIONS

5714B exact replacement | 5714 family identification assistance | Configured indicator enquiry

Choose the specification you need. Beccentric confirms the exact make, configuration, availability and lead time in the quotation. Alternatives are offered for approval. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

PR Electronics 5714B Process Indicator

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Input signal	4-20 mA, 0-10 V, Resistance, RTD, Thermocouple, Potentiometer
Display scale and engineering unit	e.g. 0-10 bar; specify input mapping
Relay / output requirement	Alarm setpoints and required output arrangement
Panel cut-out / dimensions	Width x height and available depth in mm
Manufacturer and complete part number	Include every suffix and attach a clear label photograph
Supply voltage, output and connections	AC/DC, signal, contact rating, connector and pinout

INCLUDE WITH YOUR ENQUIRY

Include the complete part reference, requested specification, quantity, required date and clear photographs. Confirm whether an approved alternative may be offered.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
