AUTOMATION, SENSING & INSTRUMENTATION

Industrial Pressure Transmitters

Pressure measurement for pumps, water systems, utilities and process lines. Select the measurement range, signal and wetted materials around the fluid and operating conditions.

Unit for enquiry: each | Product range

WIKA S-20 pressure transmitter shown as a product-family example. Exact model, size, materials and configuration are confirmed in your quotation.

PRODUCT DETAILS

Measurement	Pressure type, range and allowable overpressure
Signal	4-20 mA, voltage or other required output
Process connection	Thread, seal arrangement and wetted material
Duty	Fluid, temperature, vibration and environment

TYPES / CONFIGURATIONS

Gauge-pressure transmitter | Absolute-pressure requirement | Differential-pressure requirement | Exact replacement

Choose the specification you need. Beccentric confirms the exact make, configuration, availability and lead time in the quotation. Alternatives are offered for approval. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Industrial Pressure Transmitters

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Pressure type	Gauge, Absolute, Differential
Measurement range	Lower/upper value and units, e.g. 0-10 bar
Output signal	4-20 mA, 0-10 V, Other voltage output, Digital / fieldbus
Process connection	Thread/size and seal arrangement
Manufacturer and complete part number	Include every suffix and attach a clear label photograph
Supply voltage, output and connections	AC/DC, signal, contact rating, connector and pinout
Fluid and operating conditions	Medium, temperature and maximum operating pressure

INCLUDE WITH YOUR ENQUIRY

Include the complete part reference, requested specification, quantity, required date and clear photographs. Confirm whether an approved alternative may be offered.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
