SMC PNEUMATIC COMPONENTS

SMC KQ2 One-Touch Pneumatic Fittings

One-touch pneumatic fittings for matching tube outside diameters to machine ports. Choose the connection shape and identify the exact thread form separately from the tubing size.

Unit for enquiry: each | Product range

SMC product-family image. Exact size, connections and configuration are confirmed with your quotation.

PRODUCT DETAILS

Tube OD family	2 to 16 mm
Thread families	M, R, Rc, G, NPT, UNF and UNI; match exact code
Operating duty	Confirm medium, pressure and temperature for the selected fitting and tubing together

TYPES / CONFIGURATIONS

Straight connector | Elbow | Tee | Union | Reducer

Measure the tube outside diameter and identify the port thread before selecting. R, G and NPT ports require the matching connection and sealing method. Check tubing compatibility and the combined pressure-temperature limit. Options describe an enquiry; not every combination is available. Confirm the complete selected reference and operating limits before ordering. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

SMC KQ2 One-Touch Pneumatic Fittings

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Tube outside diameter	2 mm, 3.2 mm, 4 mm, 6 mm, 8 mm, 10 mm, 12 mm, 16 mm
Port thread or second tube connection	Thread standard and size, or second tube OD for a union / reducer
Installation and clearance	Fitting position and any space restrictions
Medium, operating pressure and temperature	Normal / maximum pressure in bar, medium, temperature and air quality
Application and working environment	Machine model, cleaning / washdown and any product-contact requirements
Complete manufacturer reference / existing markings	Include every suffix if known; otherwise ask for identification help

INCLUDE WITH YOUR ENQUIRY

Send the complete reference, requested size and configuration, operating conditions, quantity, delivery location and required date. Add label / installation photographs and state whether an alternative may be proposed for approval.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
