MOTORS, GEARBOXES & DRIVE COMPONENTS

Stainless Steel & Washdown Gearmotors

Easy-clean drive configurations for food, beverage and other equipment exposed to regular wet cleaning. Selection considers the cleaning process as well as torque, speed and mounting.

Unit for enquiry: each | Product range

Product-family photograph. Exact model, dimensions and configuration are confirmed with your quotation.

PRODUCT DETAILS

Construction	Stainless steel housing or separately specified corrosion-protection package
Gear arrangement	Inline or right-angle designs
Surface	Cleanable housing geometry on hygienic designs
Protection	Motor/gearbox protection and sealing confirmed for the selected assembly

TYPES / CONFIGURATIONS

Inline | Right-angle | Match existing

Stainless construction does not itself establish an IP rating, food-contact approval or compatibility with every cleaner. Cleaning temperature, pressure, chemical concentration and exposure duration must be checked. Choices record your requested specification; not every combination is available. This is a Beccentric product information and selection sheet. It is not a certified engineering drawing or a guarantee of stock. Confirm the exact product, compatibility and operating limits before ordering.

Specify your requirement

Stainless Steel & Washdown Gearmotors

The choices below help prepare an enquiry. Other sizes and identification assistance can be requested. Not every combination is available.

Required assembly	Gearbox only, Complete geared motor, Replacement matching existing unit
Ratio / required output speed	Nameplate ratio or required output rpm
Input speed and motor power	Motor kW and rated input rpm
Output torque and load duty	Continuous / peak Nm if known; load, hours and starts
Output shaft / bore dimensions	Diameter, length, keyway / spline and flange pattern (mm)
Mounting and operating position	Foot / flange / torque arm, orientation and shaft side
Application and environment	Driven equipment, hours / starts, ambient temperature, dust and cleaning conditions
Existing model / complete reference	Full reference and suffixes; include a clear nameplate photograph
Drive layout	Inline, Right-angle, Match existing
Cleaning environment	Wipe-down, Regular wet cleaning, High-pressure cleaning - specify conditions, Chemical cleaning - specify agents

INCLUDE WITH YOUR ENQUIRY

Send the complete reference and nameplate photo, installation dimensions, operating duty, quantity, delivery location and required date. State whether an alternative may be proposed for approval.

Quantity: _____ Required date: _____

Company / RFQ reference: _____

Exact replacement only / alternative for approval: _____
